MAZARS AT A GLANCE 2019

# FOREWORD

**HERVÉ HÉLIAS**  
Chief Executive Officer and  
Chairman of the Mazars Group  
Executive Board

In a fast-changing and increasingly complex environment, Mazars keeps growing year after year. In 2017/2018, our global revenues were up 8.7%, and now exceed 1.6bn euros, with all service lines and continents contributing to our progress. We see this as proof that our model, our values, and our development strategy are robust, reliable and relevant. We also consider this as evidence of the technical excellence of our people and of the high quality services we provide to our clients, SMEs and large organisations alike, all over the world. To become the true global audit and consulting leader we want to be in today's digital age, we will further transform, adapt, innovate and invest in our people, always keeping our focus on creating shared value(s) for our entire ecosystem.

# EXPERTISE FOR YOUR SUCCESS

Our clients' long-term sustainable development and growth are our top priority. We provide our clients with a comprehensive and flexible range of services, specialising in audit, accountancy, advisory, tax and legal services.

## **Audit and Assurance:**

We are in the top 5 audit firms for listed companies in Europe.

## **Consulting:**

Our services include governance, risk, compliance, sustainability and finance transformation.

## **Financial Advisory Services:**

We provide financial diagnosis for business operations, valuation and succession to companies all over the world.

## **Tax and Legal Services:**

We carry out advisory and compliance assignments for international organisations, SMEs, financial services providers and over 1,000 private clients.

## **Accounting and Outsourcing Services:**

Our flexible and scalable services help companies focus on their core business.

## **Sector expertise, service excellence**

Our 20+ sectoral communities bring together Mazars experts from all countries with a shared deep knowledge of specific sectors and the ability to discuss, debate, and connect on a regular basis, across all our areas of expertise.

## **We cover all sectors:**

**Financial Services · Industry · Services · Public**

## **ZOOM**

**SMEs:** To respond to the very specific challenges of SMEs, we have designed a tailored approach which helps companies work 'on' rather than 'in' their business.

**Doing business abroad:** With our international desks and practical guides "Doing business in...", we provide hands-on advice and information on how to invest and

set up shop in a variety of national and regional markets.

**Business. For Good®:** In line with our commitment to working for the common good, we have developed a range of expertise aimed at reengineering trust in business, empowering people and nurturing collective responsibility.
